

Royal Marble Craft

Project Category

Instagram Story Design · Interior Branding

Project Overview

Royal Marble Craft is a premium marble and interior surface brand focused on luxury textures and modern interior aesthetics. This project involved designing elegant Instagram story creatives using earthy green tones, editorial layouts, and minimal typography to create a refined and visually immersive brand presence.

Visual Style

- Elegant and earthy
- Editorial-inspired layouts
- Minimal luxury aesthetic
- Texture-focused visuals
- Sophisticated storytelling

Target Group

- Age range: 25 - 55
- Luxury interior clients
- Modern homeowners
- Interior decor enthusiasts
- Architects and designers

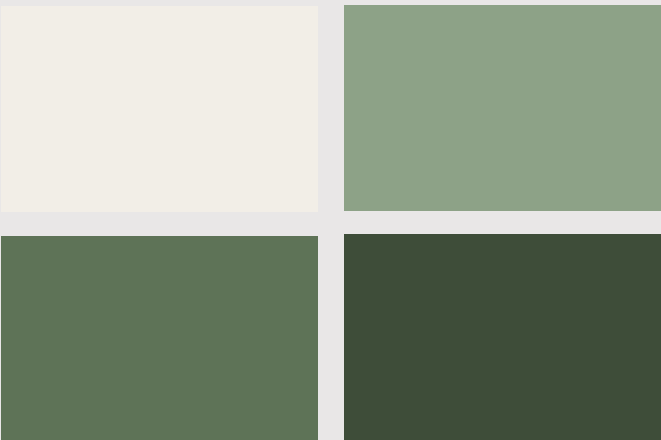

Design Approach

- Luxury interior presentation
- Refined visual hierarchy
- Immersive story compositions
- Modern marble-inspired branding
- Clean and premium aesthetics

Typography

Elegant serif and modern sans-serif typography were combined to create a refined editorial aesthetic.
