

Zion Decors

Project Category

Social Media Design · Luxury Interior Branding · Digital Campaign Design

Project Overview

Zion Decors is a luxury furniture and interior brand focused on elegant, modern living spaces. This project involved designing visually refined social media posts and stories using soft neutral tones, minimal layouts, and sophisticated typography to reflect the brand’s premium aesthetic.

Visual Style

- Minimal and luxurious
- Elegant neutral aesthetic
- Soft and refined visuals
- Editorial-inspired layouts
- Warm and timeless branding

Design Approach

- Premium lifestyle storytelling
- Sophisticated typography hierarchy
- Clean and spacious compositions
- Modern luxury visual identity

Color Palette

A balanced pairing of a well-crafted bed and table, designed to bring comfort and purpose into the space. Clean lines and refined finishes create a setting that feels calm, cohesive, and thoughtfully styled.

*Designed to be felt
not just seen.*

A sculptural lounge chair where fluid form meets everyday comfort, timeless in presence, effortless in living.

Design doesn't end on paper.

It ends when the space is ready.
